Just a short note on behalf of Felicia and myself to thank you for participating in the Felicia programme we recorded yesterday.

Your contribution to the programme helped us make South Africa more aware of options they might have, but have not considered.

Often guests on our programme feel that they were not given enough time to voice their views, but, in television every second counts, and your input did make a difference.

Thank you;

Please don't hesitate to contact me if we can ever do anything for you.

Best wishes for a prosperous new year!

Regards

Paul Freathy
